ABOUT THE WORKSHOP

Overview

Most people understand the importance of having a vision or goal, but many struggle when it comes to defining their true desires or knowing how to take actionable steps toward them. Whether they are unclear about what they truly want, or they know exactly what they want but don't know how to get there, this workshop is designed to guide the audience through the process of creating and taking steps towards a vision that will transform their lives.

In this powerful and interactive workshop, participants will:

Create and Clarify their Vision – Understand what they truly want and how to uncover hidden desires and dreams.

Learn key tools – To eliminate fear, doubt, and worry and move toward their goals and dreams with confidence.

Accelerate Results – A proven method for dissolving resistance they may have to prosperity so they can attract higher levels of results and abundance.

Why This Workshop Works

This workshop is based on over 50 years of research by an organization renowned for studying the science of transformation. Veronica combines this research with her own experience and expertise as a certified DreamBuilder® Coach to deliver an inspiring, engaging experience that have helped thousands of people around the world, move in the direction of their dreams.

I attended Vee's flawlessly organized workshop and I came out inspired and ready for action. I advance so much after the workshop and was able to implement action steps to fulfill my dream. I appreciate the motivation and inspiration that her workshop and the strategic sessions gave me to move forward. Thank you!

KEY TAKEAWAYS FROM THE VISION WORKSHOP

Discover a Crystal Clear Vision or their dream life

Many people have difficulty articulating what they truly want from life. In this workshop, they will gain clarity about their true desires and identify their purpose. No more settling for the status quo — they will leave the workshop with a clear and actionable vision for their future.

Overcome Limiting Beliefs

One of the most common roadblocks to success is our own self-limiting beliefs. Veronica will guide the audience through techniques to release fear, doubt, and uncertainty, enabling them to move forward with confidence.

Accelerate Results

Veronica will share powerful tools and strategies to help the audience take immediate action and gain momentum toward their vision. They'll learn how to break through procrastination, maintain motivation, and stay on track to achieve their dreams.
